LENNOX

Lennox is more than HVAC. It's a promise.

We believe that the key to a healthy, comfortable home starts with the air with which we live and breathe. Our dedication to the pursuit of perfect air has been a driving force behind each and every innovation since 1895. We make the air cooler, warmer, dryer, cleaner and better with premium, award-winning systems that are exceptionally quiet and energy efficient.

It's time to rethink your air.

These days, we go to all kinds of lengths to be healthy and relaxed. But what good is all that if our air isn't as clean, healthy and comfortable as it should be? Because, the fact is, we don't just breathe the air around us. We live in it.

With an innovative, efficient whole-home HVAC system from Lennox, every breath you take in delivers on our promise of perfect air.

Air is Life. Make it Perfect.™

Welcome to seamless precision.

COLLECTION

Dave Lennox *Signature*[®] Collection is the ultimate in creating the ideal home. From supreme efficiency to unprecedented performance, this product family delivers incomparable comfort. For those unwilling to settle for anything less than extraordinary, there is only one option. Dave Lennox *Signature* Collection.

Transcend your air.

Here's how Dave Lennox *Signature* Collection air conditioners, heat pumps, furnaces, air handlers and controls deliver the very best we have to offer.

Precision of Air/Comfort

Across the board, our air conditioners, heat pumps, and furnaces promise unsurpassed comfort. Innovative design and technology automatically adjusts outputs in precise and minute increments to hold temperatures exactly where you want them. And our air handlers optimize your airflow. No hot spots, no cold spots. Just the perfect feeling of comfort you're looking for in every corner of your home.

Additionally, zoning systems and smart controls like the iComfort® S30 Ultra Smart Thermostat hold your home's set temperature, all year long. It also knows when you're home or away and adjusts its efficiency, and comfort, accordingly—and can even directly communicate with your dealer or technician to keep things running seamlessly.

Quiet Operation

Dave Lennox *Signature* Collection products combine advanced technology, engineering and sound-absorbing insulation making them 50% quieter than anything else you can buy. This isn't just quiet. It's whisper quiet.

Energy Efficiency

The ultimate in energy efficiency, features like our variable-speed fan and precision technology can save you more in utility costs than anything else you can buy on the market. Period.

Communicating/Smart

Create the ultimate comfort. AirFlex™ design allows your dealer to adjust airflow to best match your lifestyle, home design and geographic location. In short: it's perfectly tuned to your home.

Craftsmanship

The ultimate in Lennox innovation and product design, no other manufacturer can match Dave Lennox *Signature* Collection products for efficiency, comfort, precision, quiet and customer satisfaction. This includes innovations like our Quantum™ Coil, which features a proprietary aluminum alloy and is uniquely designed for unprecedented performance and worry-free reliability in even the harshest of conditions.

The ultimate side of perfect air.

Welcome to the very top of top-tier. The Ultimate Comfort System™ combines the best of the Dave Lennox *Signature*® Collection to create unprecedented whole-home comfort that's perfectly tuned to your home.

Consistently Perfect

The only way your air feels is how you want it to feel.

Complete Control

A perfectly tuned system is always at your fingertips.

Unmatched Efficiency

This eco-friendly system is, without question, the most efficient available.

Beyond Quiet

Seamlessly operates at a noise level that is, quite simply, unheard of.
